

# \*EMERGENCY MEDICAL TECHNICIAN—PARAMEDIC \*

## PARAMEDIC COURSE

- Courses are offered at our EMS education training facilities in Fergus Falls, MN and Jamestown, ND.
- We also offer customized EMS training programs at many other sites throughout North Dakota and Minnesota. Contact us to discuss on-site training.
- Course length is approximately 13 months.
- Clinical experience is tracked by FISDAP online.
- Instructors are seasoned pre-hospital EMS providers and certified BTLs, PHTLS, ACLS, PALS and DOT instructors.

## ADMISSION PREREQUISITES

- Students must be at least 18 years of age.
- High school diploma or GED
- Valid driver's license
- Current National or state EMT certification.
- Criminal background check.
- Current CPR certification

## CLINICAL INTERNSHIP

Clinical experience is required for each student. These clinicals are performance based. ETA has clinical affiliation agreements with many partner hospitals and EMS organizations in North Dakota and Minnesota. Clinicals are logged on FISDAP® online and monitored by the course instructor /coordinator.

**National Registry of  
Emergency Medical Technicians®**  
THE NATION'S EMS CERTIFICATION™

## CERTIFICATION

Successful completion of our Emergency Paramedic Course will qualify students to take State and National EMT-Paramedic examinations. These consist of both practical and written examinations. The participant will also be certified in PHTLS, ACLS & PALS upon successful completion of the 13 month training program.

## TUITION

Textbooks, materials, lab and application fees, and tuition information is available by calling our Minnesota or North Dakota training sites.

Students that successfully complete the didactic and ALL clinical components of the course will be eligible to take the National Registry practical and written exams. All testing fees are paid by the student candidate.

**Application Fees: \$250.00 (Non-Refundable)**
